Attorney's Docket No.: 09651-014001

REMARKS

Applicant notes that the pending claims may be improperly construed to require that the user computer system **58** be the same as the mobile processing system **18**, i.e. that the mobile processing system **18** is somehow docked. However, no such limitation is intended. In fact, the user computer system **58** can be separate from the mobile processing system **18**. To encompass this possibility, Applicant amends claims 1, 19, and 20 by changing the preposition "by" to "for."

No additional fees are believed to be due in connection with the filing of this response. However, to the extent fees are due, or if a refund is forthcoming, please adjust our deposit account 06-1050, referencing attorney docket "09651-014001."
